

Submission 1 | Quiz on Neural Networks

Hi Using PINNs to solve Differential Equations!

It's time for the first submission of the project. The quiz contains 11 MCQ's and the time duration allotted is **15 mins**. You can attempt it anytime between now and **(tomorrow) 22nd September 2024, 11:59 PM**. The grade is more or less for you to understand which topics you might need to study further, so don't worry about it.

Please use your IITR email ID to access the quiz.

Form link: <https://forms.office.com/r/Vis0kTSfK3>

Once you are done with the quiz, do **add your details** [**fill: name, branch, enrollment number, phone number, email id and check the box for today's quiz**] (please check if your name is already present) to [this google sheets](#), we'll use this doc to monitor project progress.

PS: We are planning for an offline meet this week after 22nd, we will give an update soon.
